MC ANIMAL CENTER
Hello!

It has been three weeks since I've been adopted. My new parents are very happy as I am with them. They have given me a new name, Rainey it has a song to it. I have a new cut, lots of love and a box of toys. I go for walks every day and the vet gave me a clean bill of health and I also got all my shots.

I guess I've got some bad habits but my parents are helping me out with them.

May the Lord bless each one of you you are all doing so much good for all the animals that need help.

Sincerely,
Mike, Jan and Rainey Olson
