"Hello" -

My name is "Katie" Hexham and I was adopted on 6/9/06 from MCAC. I was a little 14 wk. old Golden Retriever puppy, scared, and then I had a visitor that took me in the playyard w/ her. She had recently lost her 9 1/2 yr. old Golden. I was shy but I "smiled" at her and she picked me up, and the rest is history! I am a happy, healthy 7 month old pup now - full of love and energy with playmates at home. I have a real family. Last pm, I graduated 1st in my puppy obedience class. (much to mom's surprise). Life is good!
Thank you. Ann Hexham and "Katie"
