

Last year the Marion County Building Department...

- Issued 27,854 Permits
- Reviewed 12,888 sets of plans
- Signed in 45,276 customers in the Permitting Center

...And logged over 900,000 miles, performing 186,597 inspections!

This year Marion County is on pace to break all previous records for new home starts, commercial construction, plan submissions and number of inspections performed.

The Building Department is looking for certified inspection and plans examiner staff to recruit into our On-Call program. Are you recently retired to Marion County and want to work but aren't looking for a full time position? Already a member of Marion County's building/construction community?

Working as an **On-Call Inspector** or **On-Call Plans Examiner** with Marion County is a great way to earn top dollar for your skills without committing to a full-time work schedule.
