People who are learning to speak English are invited to get together at the Marion County Public Library to enjoy casual conversation with other people who are learning English as a second language. They can make new friends, enjoy a comfortable environment, and practice speaking their new language.

Both conversation groups are held at:

Headquarters-Ocala
2720 East Silver Springs Boulevard
Meeting Room A.

Date: Every Tuesday
Time: 10 a.m. to 12 noon

For those people who feel they need more help learning English before they can comfortably join the conversation group, there is an English Instruction Group:

Date: Every Monday and Tuesday
Time: 5:30 p.m. to 7:30 p.m.

Prior registration is not required. Both activities are offered between May 4th and June 2nd and after a short break they will resume August 18th.

These programs are offered in partnership with the Marion County Community Technical Adult & Education Center and the Marion County Public Library.

For additional information, contact the Community Technical & Adult Education Center at 671-7206 or a Public Services Librarian at 671-8551.
