An Equal Opportunity Institution

Welcome to the Marion County Small Farm Local Buying Guide, a direct farmer to consumer and farmer to farmer directory. This guide is an effort to provide a direct link with local fresh foods, value-added products and your neighbor farmers who produce it. This guide also serves as a resource for local farmers seeking agriculture services and resources.

**When you 'Buy Local' you help support family farms and local agri-business!**

***This guide is maintained and published by the Marion County Extension Service***

*Please contact farms and individuals directly to inquire about products & services they may offer.*

This guide is available online and updated every 30 days at [www.marioncountyfl.org/ifasextension.htm](http://www.marioncountyfl.org/ifasextension.htm) Or a printed version upon request.

If you are interested in having your farm and/or agriculture services listed in the Marion County Local Buying Guide please contact Cindy @ 352-671-8400 or fill out the form on the Marion County Small Farms website [www.marioncountyfl.org/ifasextension.htm](http://www.marioncountyfl.org/ifasextension.htm)
