

# Florida-Friendly Landscaping™ for Homeowners Workshop

Learn Best Management Practices for Healthy Landscapes

Is your turf maintenance tiring, or terrific? Is plant care costing you dearly, or worth every penny? Is your yard hard or easy on your eyes, health, and wallet?

In four weeks, learn the principles to help manage and maintain your landscape while helping you save money, time and resources.

**Attend all four sessions to receive a free yard evaluation.**

Payment may be made by cash or check. Make checks payable to UNIVERSITY OF FLORIDA and mail to 2232 NE Jacksonville Rd, Ocala FL 34470.

This four-part workshop will be held at:
