2007 BUILDING SAFETY WEEK

"Building Smarter…for Disasters in Everyday Life"

Workshop: Construction Contract Provisions
Monday; May 7 2:00 PM - 4:00 PM

This is a 2-hour, CEU earning course focusing on the elements of contract formation, construction clauses, state-required contract provisions, and stipulations that determine whether or not a contract is enforceable. The class will be taught by Trent Cotney, Esq., a Florida Bar Association board-certified Construction Law Specialist.

Free and Open to the Public. **Pre-registration is required**
To register, send an email with the workshop title in the subject line to:
Tracy.Gale@MarionCountyFl.org

++

"Licensing Day"
Tuesday; May 8 9:00 AM - 4:00 PM

Have a question about contractor licensing, how to file a complaint against a contractor, or what types of work require a state license or Marion County competency card? This is your chance to ask the experts: Jim Patton, Regional Director for the Department of Business & Professional Regulation, along with the County's Licensing Supervisor, Investigators, and Contractor Licensing Agent will be available to answer your questions.

++

Building Code Compliance for Real Estate Professionals
Thursday, May 10 2:00 PM - 4:00 PM

Building Director John O'Connor will provide appraisers and realtors with practical knowledge of how building safety and building code compliance affect real estate transactions. Participants will learn actions they can take to make sure their transactions are properly valued and executed without surprises turning up at the last minute.

Free and Open to the Public. **Pre-registration is required**
To register, send an email with the workshop title in the subject line to:
