MARION COUNTY, Fla. (Feb. 1, 2012) – Marion County Growth Management is now accepting applications for large-scale land use changes, or amendments, to the county’s Comprehensive Plan through 4 p.m. on Feb. 14, 2012. Residents who are interested in changing their land’s designated use, such as going from rural to commercial use, are eligible for the large-scale amendment application.

Amendment applications can be picked up at Growth Management (2720 E. Silver Springs Blvd., Ocala) or downloaded from the department’s website: http://www.marioncountyfl.org/Planning/land_use.aspx.

Growth Management hosts large-scale amendment application cycles periodically as part of its activities to keep the county’s Comprehensive Plan up to date. The plan is Marion County’s key guide for growth management and provides the framework for how the county will continue to develop. For more information about large-scale amendments, contact Michael Kokosky at 352-438-2600 or visit www.marioncountyfl.org/growthmanagement.htm.
