Immediate Release

MARION COUNTY, Fla. (Aug. 12, 2011) – Love your Marion County parks? Then make it known across the United States and help Marion County Parks and Recreation bring home a national prize for one of its parks.

Parks and Recreation is inviting all county residents to vote in the “America is Your Park” national contest and help Brick City Adventure Park, the only recreational facility from Marion County in the competition, win up to \$100,000 in park improvement grants. The contest is being held for the second year as part of Coca-Cola Co.’s Live Positively initiative, which encourages people all over the nation to get active in local parks.

Grants will be awarded to the three parks that accumulate the most votes by Sept. 6, 2011. To vote, visit www.livepositively.com and click on the “Get involved” tab. Citizens may vote multiple times.

Parks and Recreation staff selected Brick City Adventure Park for the competition because it is slated for future improvements. The park is located at 1211 SE 22nd Road, Ocala.
