**ROAD CONSTRUCTION FOR SOUTHWEST 42ND STREET FLYOVER
TO START NEXT WEEK**

Immediate Release

MARION COUNTY, Fla. (Aug. 29, 2011) – The last phase of the 31st Street East/West corridor connecting East State Road 464 to State Road 200 is on its way to completion. Road construction for the Southwest 42nd Street Flyover project will begin on Tuesday, Sept. 6, and continue for approximately 495 days. Motorists could experience lane closures and minor delays during the construction period.

The new, four-lane divided roadway will connect Southwest 27th Avenue (at Southwest 42nd Street) to State Road 200 (at Southwest 40th Avenue). The roadway will include a bridge over Interstate 75, easing traffic congestion through current major thoroughfares.

The Reddick-based Commercial Industrial Corp. is managing the \$11.9 million project and will maintain proper signage and barricades. The project is anticipated to employ approximately 40 local workers.

Travelers are encouraged to use alternate routes when possible. Adverse weather conditions or other unforeseen circumstances may affect construction schedules.
