Would you like Marion County traffic Division to follow up with you about this report?

Yes

No

Problem Location Information

Main Street (example: SE 20th Street)

Cross Street (example: SE 58th Avenue)

Problem Observed

In the box provided below, please describe the traffic sign, signal or striping problem you observed at (or near) this intersection. By providing the time of day and day of week when you observed this problem (particularly on traffic signals), we are better able to isolate the cause of this occurrence and possibly prevent it in the future.

After completing the report click on "Submit by Email" or you may Print the Report and fax it to us at 352-671-8687.

Thank you for taking your time to assist us to make Marion County roads safer.
