

Is your well water well?

Does your family get drinking water from a private well?

Do you know if your water is safe to drink?

Please come to this class to learn how to manage and protect your well water, and get a **FREE WELL TEST** for coliform bacteria and e.coli.

First Thursday of Every Month, 6 pm — 8 pm
UF/IFAS Extension Marion County Classroom
2232 NE Jacksonville Rd. Ocala, FL 34470

Seats are limited. Please call **352-671-8400** or go to <https://wellclass2019.eventbrite.com> to register.
