

Marion County's Run for the Springs 5K Event

Event date: April 4, 2020

Location: McPherson Government Complex, Ocala, FL

www.marioncountyfl.org/runforthesprings

The Marion County Office of the County Engineer Stormwater Management Program
invites you to be a part of Marion County's seventh

Run for the Springs 5K Event

At a Glance

When: Saturday, April 4, 2020

Where: McPherson Government Complex (601 SE 25th Avenue, Ocala, FL)

Participation goal: 400 runners, their friends and families

Why: Marion County is home to Silver Springs, one of the world's largest and most famous artesian springs, along with Rainbow Springs and Silver Glen. Our natural springs, lakes and rivers make Marion County a beautifully unique place to live, work and play. Because we use this same water for drinking and other daily activities, we all play a role in keeping our water clean. The Run for the Springs will celebrate our community while raising awareness about steps that individuals and businesses can take to protect our water resources. Proceeds will be returned to Marion County residents and businesses in the form of projects that will benefit the health of the springs.

Grab your coworkers and your running shoes and join us for this family-friendly 5K event. Enjoy a children's area, refreshments and prizes including a Travel Cup award for the fastest-running team.

Become a Sponsor

Showcase your business services by becoming a sponsor today. Sponsors will be distinguished on print, web and social media materials and promotions, T-shirts, signage and during race day activities according to the selected sponsorship level. Various sponsorship levels include race entries and all sponsors will receive tent space in the vendor area to set up a promotional space or simply relax with coworkers and network after the race.

Want to sponsor the Travel Cup or become a business partner? Opportunities are available for all levels of participation. Contact Zach Rountree at 352-671-8686 to discuss your sponsorship objectives.

We look forward to partnering with you in developing a sponsorship approach that meets your company's objectives. Listed below are the general sponsor levels and opportunities, which can be tailored to meet your needs. All sponsors will be provided tent space in the exhibit and team areas to set up a promotional display or meet with teammates after the race. Sponsors must supply their own tents (not to exceed 10 feet by 10 feet in size).

Corporate Presenting Sponsor - \$3,000

Become the Presenting Sponsor for the Run: "2020 Run for the Springs presented by (Your company name here)".
