APPROVAL OF MINUTES:
No minutes at this time to approve.

REPORTS:
Sherry Sloan:
   Full crew at this time with the 3 new guys. Right now they are all in training on
the mowers. Due to the weather we were behind but are now getting caught up. We will
pick up the big branches if they are where we will be mowing, that is the Roads
Department responsibility to cut down and remove.

Shawn Hubbuck:
   Spoke to the Roads Department and when there is a report made the department
will have someone come out and assess the situation. At that point if needed they will
send someone out to remove the tree. The Roads Department is currently short staff so it
might take a bit longer to come out.
