HOA and Civic Group Workshops

Because saving water makes sense!

Marion County Water Resources offers workshops to help residents learn about protecting our water resources and using water efficiently. Available topics include:

- Using Water Efficiently Indoors
- Using Water Efficiently Outdoors
- Installing and Using Micro-Irrigation
- Basic Irrigation System Maintenance
- Florida-Friendly Landscaping Principles
- Water Use in Marion County

Contact Marion County Water Resources at 352-671-8672 to schedule a workshop for your homeowners association or civic group today!
